The International Conference on  
E-Learning in the Workplace

**June 10-12, 2009**  
**Columbia University**  
**New York, NY, USA**

[info@icelw.org](mailto:info@icelw.org)

**ICELW** is an international conference focused on e-learning in the workplace.

With researchers and practitioners coming from around the globe—and from university and business settings—the ICELW community works to improve online learning so that it makes a measurable difference in workplace performance and morale.

By uniting the corporate and academic worlds, ICELW is creating a new synergy—one with the unique capability to realize the vast potential of e-learning in business and industry.

**Our 2009 program is available online at**

<http://www.icelw.org/program.htm>.

### Highlights include:

- Speakers from 27 countries
- Numerous sessions showing demonstrations of successful e-learning.
- Keynote speeches from two renowned e-learning experts:  
**Dr. Allison Rossett** of San Diego State University  
**Dr. Marc J. Rosenberg** of Marc Rosenberg and Associates.
- A panel discussion featuring a varied, worldwide panel of experts discussing the relationship between the economic crisis and the e-learning world.
