

Guest Editorial

In this issue, another few papers are shortlisted based on their scope and alignment with the journal. This conference was organized by **Confab 360 Degree** in collaboration with NSHM Knowledge Campus, Durgapur, India, and Rushford Business School, Switzerland. Dr. Nishu Ayedee was the patron of the conference. Prof. (Dr.) Alok Satsangi and Prof. (Dr.) Anuj Kumar were the conveners of the conference. The conference title was “**International Conference on Artificial Intelligence Led Innovations in Human-Machine Interaction – 2025: AI for All, Accessibility, Applications, and Advancements.**” The conference was scheduled for **22nd to 24th September 2025** at **NSHM Knowledge Campus, Durgapur**. Prof. (Dr.) Asokan Vasudevan was the guest of honor at the conference, and Dr. Lanita Winata was the offline keynote speaker at the conference. The other keynote speakers include Prof. (Dr.) Fernando Ortiz-Rodriguez, Dr. Rahaman Hasan, Dr. B.K. Dass, Dr. Miguel Sahagun, Dr. Rashi Taggar, and Dr. Anantha Raj A. Arakisamy. Prof. (Dr.) Anuj Kumar was the editorial head of the conference. The conference has more than 170 submissions from different corners of the world, and out of those submissions, a few of the best papers are shortlisted in this issue.

We are thankful to **Mr. Cecil Antony (Chief Mentor)** and **Mr. Francis Anotny (Chief Patron)** for helping Confab 360 Degree and NSHM Knowledge Campus, Durgapur, in organizing such a grand conference.
