

Excellence in Education 2009:

LEADING MINDS

CREATING THE FUTURE

Ulm-Germany (August 24-27, 2009)

The International Centre for Innovation in Education (ICIE) is committed to the development of all learners as productive world citizens and leaders for the future. This International Conference will provide a conference programme with the highest calibre of: Nobel Prize winners, keynote speakers, invited speakers, and a large number of scholars and presenters alongside a selection of exhibitors.

Categories:

☐ **Creativity and Innovation in Europe;** ☐ **Education for Peace;** ☐ **Gifted Education:** models of excellence in education; ☐ **Learning Environments;** ☐ **Technology and e-Learning;** ☐ **Instructors and Teacher:** competencies, teaching methods, and staff development; ☐ **Learner:** competencies, individual differences, intervention and development; ☐ **Programme Development:** examples, planning models and components, implementation and evaluation; ☐ **Integrated Services:** guidance and counselling, community services, and mentorship; and ☐ **Future Trends:** globalisation and networking.

We encourage you to attend this conference. The participants will include: university academics, educational psychologists, education policy advisers and managers, business and industry leaders, gifted and talented program coordinators, school heads, graduate students, parents and caretakers. It provides you with the opportunity to:

- **Explore** the latest developments in Education;
- **Examine** the need for sustainable educational systems;
- **Integrate** the latest technology into the education system;
- **Debate** the future of education – What are the challenges ahead?
- **Learn** from innovative case studies where educational institutions and LEA's have taken the initiative;
- **Engage** in a series of seminars designed to debate the theory and practice of real improvement in education;
- **Participate** in pre-conference workshops designed to develop participants' competencies; and
- **Celebrate** the European Year of Creativity and Innovation (2009).

Early Registration Fees: €300 (June 15, 2009).
Late Registration Fees: €350 (August 8, 2009).
Onsite Registration: €400
