ICBL2009 2nd Call for Papers

ICBL

New deadline for paper submission: 29th of June 2009

Papers may be submitted initially in English, Portuguese or Spanish for the reviewing process, however in case of approval must be translated to English to be published

International Conference on Interactive Computer aided Blended Learning

5 - 7 November 2009 in Florianópolis, Brasil
http://www.icbl-conference.org

Scope of the Conference

This interdisciplinary conference aims to focus on the exchange of relevant trends and research results as well as the presentation of practical experiences gained while developing and testing elements of interactive computer aided learning. Therefore pilot projects, applications and products will also be welcome. This conference will be organized by UFSC/SC - Universidade Federal de Santa Catarina/Brasil (www.ufsc.br) in cooperation with:

- Brazilian Ministry of Education
- International Association of Online Engineering (IAOE)
- International Journal of Computing and Information Sciences (IJCIS)
- International Journal of Emerging Technologies in Learning (iJET)

Topics of interest

- Collecting experiences and needs of Education Institutions/Organizations in e-Learning
    - Advanced strategies and conceptions
    - Best praxis
    - Advanced methods
    - Regional differences
    - Language learning
    - Embedded learning and learning on demand
    - Knowledge management and learning
    - Quality assurance, sustainability
    - Cost-effectiveness
- E-learning methods, methodologies, tools
    - New learning models and applications
    - Hypermedia design
    - WBL, CBL, CALL
    - Environments and tools for e-learning / m-learning / life long learning
    - Networks/Grids for learning

- Adaptive learning environments
- Tools for interactive learning and teaching
- Methods of content adaptation
- Pedagogical and psychological issues
    - Blended Learning in
    - Collaborative and Cooperative learning
    - Evaluation and outcomes assessment Wikis, Webblogs etc.
- Technical and theoretical issues
    - Learning Objects and Reusability
    - Platforms and authoring tools
    - Applications of the Semantic Web
    - Standards and style-guides
    - Hypermedia applications and virtual reality
    - Ubiquous computing
    - Digital HDTV supporting learning
    -
- Remote and virtual laboratories
- Real world experiences
- Mobile applications in learning
- Pilot projects / Products / Applications

Types of sessions

- Paper sessions (20 minutes presentation followed by a panel discussion)
- Short paper sessions: (15 minutes presentation)
- Interactive demonstrations (15 minutes, also online demonstrations)

Other opportunities to participate:

- Run a workshop or tutorial (This are half or full day events and do not require written or published papers. Proposals should clearly indicate the topic, background knowledge expected of the participants, objectives, and the qualifications of the instructor)
- Organize a thematic session (Proposals should include a minimum of three papers, a session title, a list of the topics covered and the qualifications of the session organizer. The name of the session organizer will appear in the program and proceedings.)
- Exhibit at ICBL (products and developments of learning technology)

Conference language

English is the official conference language.

Submission of papers

The papers should be submitted using the Electronic Submission System, available at the conference website. Please use the conference template from the web-site. If unable to submit the paper electronically, please contact the Chair. (icblpresidente09@gmail.com)

Important dates

~~31 May 2009~~ **29 Jun 2009**	Submission of full papers and short papers
~~31 May 2009~~ **29 Jun 2009**	Proposals for demos, workshops, tutorials, exhibition
~~30 June 2009~~ **03 Aug 2009**	Notification of acceptance
~~31 August 2009~~ **15 Sep 2009**	Camera-ready due and authors registration
5-7 Nov. 2009	Conference ICBL2009

Proceedings

The proceedings will be published on CD in cooperation with the Kassel University Press (own ISBN number). Format instructions will be available in time.
