IEEE Engineering Education 2010 – The Future of Global Learning in Engineering Education

14-16 April 2010 in Madrid/Spain

The 1st Annual Engineering Education Conference (EDUCON), sponsored by the IEEE Education Society, UNED, UPM, and CTI will be held April 14th – 16th, 2010 in Madrid, Spain on the campuses of UNED and UPM.

The Engineering Education Conference (EDUCON) will provide an interdisciplinary forum for academic, research and industrial collaboration on teaching methods, practical experiences and research towards the future of global Engineering Education attracting 200+ participants from all over the world. Participants will include university presidents, college deans, department chairpersons, faculty in engineering and engineering technology, and industry leaders from throughout the IEEE Region 8 (Europe, Middle East and Africa) and the world.

Conference Chairs:

- **Manuel Castro**, IEEE Fellow, IEEE Education Society AdCom, [Universidad Nacional de Educación a Distancia](#), Madrid, Spain
- **Edmundo Tovar**, Senior Member IEEE, IEEE Education Society AdCom, [Universidad Politécnica de Madrid](#), Spain
- **Michael E. Auer**, Senior Member IEEE, President and CEO [IAOE](#), [Carinthia Tech Institute Villach](#), Austria

Organized by

[IEEE Education Society](#)

From August 1 to September 7, 2009, we welcome submissions (one page abstract or two minutes video) in the following areas:

- Area 1: Infrastructure and Technologies for Engineering Education
- Area 2: Innovative Materials, Teaching and Learning Experiences in Engineering Education
- Area 3: Knowledge and Competencies in Engineering
- Area 4: Educational Methods and Learning Mechanisms in Engineering Education
- Area 5: Attracting, Engaging and Retaining Human Talent to Engineering

Organized by

[IEEE Education Society](#)
