

REV 2012 Conference Call for Participation

We would like to invite you to attend the REV 2012 conference. The submission deadline has been extended to March 26, 2012.

The Conftool system for REV 2012 is ready to accept registrations: <http://www.conftool.com/rev-conference/>

For more information visit: <http://rev-conference.org/REV2012>

Keynote Speakers

- Carisa Bohus, University of Oregon (USA)
- Manuel Castro, the Spanish University for Distance Education (UNED)
- David Boehringer, University of Stuttgart

Industry Day

During the morning the companies invited to the REV will organize different seminars and workshops in the labs of the University of Deusto (2 or 4 hours). During these sessions the attendants will be able to take part on technical discussions. The U. Deusto/IAOE will do the best to give certificates of these seminars. At this moment different companies have confirmed their attendance: National Instruments, Agilent, FESTO, EMONA ... Many others will be confirmed next weeks.

Agilent Technologies

FESTO

Social Events

- **Boat tour and gala dinner in the Yatch Club**

After the technical sessions, we will board on a boat along the river (1 hour) for seeing the Nervion Estuary, the monuments, the buildings (Guggenheim Museum) and the bridges. The visit will finish in the bay.

- **Wine cellars in La Rioja (optional)**

Saturday morning we will take a bus (1 hour) for going to visit the Wine Cellar Marques de Riscal (designed by Frank Gehry).
