Abul K. M. Azad
Editor-in-Chief (Online Engineering),
International Journal of Online and Biomedical Engineering (iJOE)

The *International Journal of Online and Biomedical Engineering* (iJOE) is extremely grateful for the time, effort, and dedication of its highly qualified peer reviewers. Their comments and suggestions were of great help to the authors in improving the quality of their papers. The iJOE Editorial Team likes to show appreciation by thanking the following individuals for their rigorous and conscientious efforts for reviewing manuscripts for the journal during the year of 2021.
